Appendix 3: Parent form: withdrawal from sex education within RSE	12

1. Aims

The focus at Leadgate Primary School will be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships and relationships with other peers and adults.

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies

2. Statutory requirements

The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019 made under sections 34 and 35 of the Children and Social Work Act 2017 will make Relationships Education compulsory for all pupils receiving primary education.

This policy was developed in response to:

- Draft statutory guidance on RSE and health education
- Keeping children safe in education: for schools and colleges
- Behaviour and discipline in schools: guidance for headteachers and staff
- Equality Act 2010: advice for schools
- Special educational needs and disability code of practice: 0 to 25 years
- Alternative provision
- Mental health and behaviour in schools
- Preventing and tackling bullying
- Cyber bullying: advice for headteachers and school staff
- Advice for parents and carers on cyber bullying
- Sexual violence and sexual harassment between children in schools and colleges
- Promoting fundamental British values as part of SMSC in schools
- National Citizen Service: guidance for schools and college

At Leadgate Primary School, we teach RSE as set out in this policy.

3. Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

- Review - a member of staff collated all relevant information including relevant national and local guidance.
- Staff consultation - all school staff were given the opportunity to look at the policy and make recommendations.

- Parent/Carer consultation - the policy was shared with parents/carers who were invited to give feedback.
- Ratification - once amendments were made, the policy was shared with governors and approved.

4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, healthy lifestyles, diversity, personal identity and human reproduction.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

5. Curriculum

Our RSE curriculum is set out as per Appendix 1, but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, and considering the age, developmental stage, needs and feelings of our pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so that pupils are fully informed and don't seek answers online.

Primary sex education will focus on:

- Preparing boys and girls for the changes that adolescence brings
- How a baby is conceived and born

For more information about our curriculum, see our curriculum map in Appendix 1.

6. Delivery of RSE

Leadgate Primary School acknowledges that high-quality, evidence-based and age-appropriate teaching can help pupils prepare for the opportunities, responsibilities and experiences of adult life as well as promoting the spiritual, moral, social, cultural, mental and physical development of pupils both at school and in society. RE will be set in the context of a wider whole-school approach to supporting pupils to be safe, happy, and prepared for life beyond school. The curriculum on relationships will complement and be supported by wider policies on behaviour, inclusion, respect for equality and diversity, anti-bullying and safeguarding. RE will sit within the context of the Leadgate Primary School's broader ethos and approach to developing pupils socially, morally, spiritually, and culturally, and its pastoral care system.

The curriculum on health education will similarly complement, and be supported by, Leadgate Primary School's education on healthy lifestyles through physical education, science, and extra-curricular activities.

We will deliver the content set out in Appendix 1 in the context of a broad and balanced curriculum. Effective teaching will ensure that core knowledge is broken down into units of manageable size and communicated clearly to pupils, in a carefully sequenced way, within a planned programme of lessons. Teaching will include sufficient well-chosen opportunities and contexts for pupils to practise applying and embedding new knowledge so that it can be used skillfully and confidently in real life situations.

The subject lead will work closely with colleagues in related curriculum areas to ensure relationships education programmes complement each other and do not duplicate, content covered in national curriculum subjects such as science, computing, and PE. RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE).

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

These areas of learning are taught within the context of family life, taking care to make sure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents and foster parents/carers, amongst other structures), along with reflecting sensitively that some children may have a different structure of support around them (for example, looked-after children or young carers). We will also be mindful of the law and legal requirements, taking care not to condone or encourage illegal political activity, such as violent action against people, criminal damage to property, hate crime, terrorism or the illegal use of drugs.

6.1 Inclusivity

We will teach about these topics in a manner that:

- Considers how a diverse range of pupils will relate to them
- Is sensitive to all pupils' experiences
- During lessons, makes pupils feel:
- Safe and supported
- Able to engage with the key messages

We will also:

- Make sure that pupils learn about these topics in an environment that's appropriate for them, for example in:
- A whole-class setting
- Small groups or targeted sessions
- 1-to-1 discussions
- Digital formats
- Give careful consideration to the level of differentiation needed

6.2 Use of resources

We will consider whether any resources we plan to use:

- Are aligned with the teaching requirements set out in the statutory RSE guidance
- Would support pupils in applying their knowledge in different contexts and settings
- Are age-appropriate, given the age, developmental stage and background of our pupils
- Are evidence-based and contain robust facts and statistics
- Fit into our curriculum plan

- Are from credible sources
- Are compatible with effective teaching approaches
- Are sensitive to pupils' experiences and won't provoke distress

7. Use of external organisations and materials

We will make sure that an agency and any materials used are appropriate and in line with our legal duties around political impartiality.

The school remains responsible for what is said to pupils. This includes making sure that any speakers, tools and resources used don't undermine the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

We **will**:

- Make appropriate checks and engage with external agencies to make sure that their approach to teaching about RSE is balanced, and it and the resources they intend to use:
 - Are age-appropriate
 - Are in line with pupils' developmental stage
 - Comply with:
 - This policy
 - The [Teachers' Standards](#)
 - The [Equality Act 2010](#)
 - The [Human Rights Act 1998](#)
 - The [Education Act 1996](#)
- Only work with external agencies where we have full confidence in the agency, its approach and the resources it uses
- Make sure that any speakers and resources meet the intended outcome of the relevant part of the curriculum
- Review any case study materials and look for feedback from other people the agency has worked with
- Be clear on:
 - What they're going to say
 - Their position on the issues to be discussed
- Ask to see in advance any materials that the agency may use
- Know the named individuals who will be there, and follow our usual safeguarding procedures for these people
- Conduct a basic online search and address anything that may be of concern to us, or to parents and carers
- Check the agency's protocol for taking pictures or using any personal data they might get from a session
- Remind teachers that they can say "no" or, in extreme cases, stop a session

- Make sure that the teacher is in the room during any sessions with external speakers

We **won't**, under any circumstances:

- Work with external agencies that take or promote extreme political positions
- Use materials produced by such agencies, even if the material itself is not extreme

8. Roles and responsibilities

8.1 The governing board

The governing board will approve the RSE policy, and hold the headteacher to account for its implementation.

8.2 The headteacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory/non-science] components of RSE (see section 9).

8.3 Staff

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory/non-science components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

Staff who are responsible for teaching RSE in your school include:

Miss Weaver, Mrs Hannon, Miss Pedro, Miss Handy, Mrs Nesom, Miss Reed, Miss Scarr and Miss Edwards.

8.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

9. Parents' right to withdraw

Parents do not have the right to withdraw their children from relationships education.

Parents have the right to withdraw their children from the non-statutory/non-science components of sex education within RSE.

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the headteacher.

Alternative school work will be given to pupils who are withdrawn from sex education.

10. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

11. Monitoring arrangements

The delivery of RSE is monitored by Melissa Pedro (PSHE / RSE Lead) through:

- Planning Scrutinies
- Learning walks
- Lesson observations

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed annually by Melissa Pedro (PSHE / RSE Lead). At every review, the policy will be approved by the governing board/ the headteacher.

Appendix 1: Curriculum Map for PSHE including RSE

Year group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur and talk about changes.					
Year 1	What is the same and different about us?	Who is special to us?	What helps us stay healthy?	What can we do with money?	What helps us to keep safe?	How can we look after each other and the world?
Year 2	What makes a good friend?	What is bullying?	What jobs do people do?	What helps us to stay safe?	What helps us to grow and stay healthy?	How do we recognise our feelings?
Year 3	How can we be a good friend?	What keeps us safe?	What are families like?	What makes a community?	Why should we eat well and look after our teeth?	Why should we keep active and sleep well?
Year 4	What strengths, skills and interest do we have?	How do we treat each other with respect?	How can we manage our feelings	How will we grow and change?	How can our choices make a difference to others and the environment?	How can we manage risk in different places?
Year 5	What makes a person's identity?	What decisions can people make with money?	How can we help in an accident or emergency?	How can friends communicate safely?	How can drugs common to everyday life affect health?	What jobs would we like?
Year 6	How can we keep healthy as we grow?		How can the media influence people?		What will change as we become more independent? How do friends change as we grow?	

Appendix 2: By the end of primary school pupils should know

TOPIC	PUPILS SHOULD KNOW
Families and people who care about me	<ul style="list-style-type: none"> • That families are important for children growing up because they can give love, security and stability • The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives • That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care • That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up • That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong • How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed
Caring friendships	<ul style="list-style-type: none"> • How important friendships are in making us feel happy and secure, and how people choose and make friends • The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties • That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded • That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right • How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed
Respectful relationships	<ul style="list-style-type: none"> • The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs • Practical steps they can take in a range of different contexts to improve or support respectful relationships • The conventions of courtesy and manners • The importance of self-respect and how this links to their own happiness • That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority • About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help • What a stereotype is, and how stereotypes can be unfair, negative or destructive • The importance of permission-seeking and giving in relationships with friends, peers and adults
Online relationships	<ul style="list-style-type: none"> • That people sometimes behave differently online, including by pretending to be someone they are not • That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous • The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them • How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met • How information and data is shared and used online

TOPIC	PUPILS SHOULD KNOW
Being safe	<ul style="list-style-type: none">• What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context)• About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe• That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact• How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know• How to recognise and report feelings of being unsafe or feeling bad about any adult• How to ask for advice or help for themselves or others, and to keep trying until they are heard• How to report concerns or abuse, and the vocabulary and confidence needed to do so• Where to get advice e.g. family, school and/or other sources

TOPIC	PUPILS SHOULD KNOW
Mental Wellbeing	<p>Pupils should know:</p> <ul style="list-style-type: none"> • That mental wellbeing is a normal part of daily life, in the same way as physical health • That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all • Humans experience in relation to different experiences and situations • How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings • How to judge whether what they are feeling and how they are behaving is appropriate and proportionate • The benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity on mental wellbeing and happiness • Simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests • Isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support • That bullying (including cyberbullying) has a negative and often lasting impact on mental wellbeing • Where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental wellbeing or ability to control their emotions (including issues arising online) • It is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available, especially if accessed early enough
Internet safety and harms	<p>Pupils should know:</p> <ul style="list-style-type: none"> • That for most people the internet is an integral part of life and has many benefits • About the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing • How to consider the effect of their online actions on others and know how to recognise and display respectful behaviour online and the importance of keeping personal information private • Why social media, some computer games and online gaming, for example, are age restricted • That the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health • How to be a discerning consumer of information online including understanding that information, including that from search engines, is ranked, selected, and targeted • Where and how to report concerns and get support with issues online
Physical health and fitness	<p>Pupils should know:</p> <ul style="list-style-type: none"> • The characteristics and mental and physical benefits of an active lifestyle • The importance of building regular exercise into daily and weekly routines and how to achieve this; for example, walking or cycling to school, a daily active mile, or other forms of regular, vigorous exercise • The risks associated with an inactive lifestyle (including obesity) • How and when to seek support including which adults to speak to in school if they are worried about their health

TOPIC	PUPILS SHOULD KNOW
Healthy eating	<p>Pupils should know:</p> <ul style="list-style-type: none"> • That people sometimes behave differently online, including by pretending to be someone they are not • That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous • The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them • How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met • How information and data is shared and used online
Drugs, alcohol, and tobacco	<p>Pupils should know:</p> <ul style="list-style-type: none"> • The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug-taking
Health and prevention	<p>Pupils should know:</p> <ul style="list-style-type: none"> • How to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body • About safe and unsafe exposure to the sun, and how to reduce the risk of sun damage, including skin cancer • The importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood, and ability to learn • About dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist • About personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing • The facts and science relating to allergies, immunisation, and vaccination
Basic first aid	<p>Pupils should know:</p> <ul style="list-style-type: none"> • How to make a clear and efficient call to emergency services if necessary • Concepts of basic first aid, for example dealing with common injuries, including head injuries
Changing adolescent body	<p>Pupils should know:</p> <ul style="list-style-type: none"> • Key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes • About menstrual wellbeing including the key facts about the menstrual cycle
