Sun Protection

As children play regularly outside, it is important that they are protected from the sun. It is important that through the summer months all children have an application of sunscreen applied to them before playing out in the sun. Please provide sunscreen for your child to apply during the school day. Bottles should be clearly labelled with your child's name. We have sent out consent forms regarding the application of sunscreen in school. Please complete and return your consent forms to school as soon as possible.

Could you also please ensure your child has a sun hat in school during the summer term.
