OUTCOMES and SUSTAINABILITY – Sports Premium 2016/17

- Expected Outcomes of Sports Premium and how we will measure impact:**
- Greater overall staff understanding of how to plan, deliver and assess the impact of PE lessons.
 - Positive feedback from PE Leader's lesson observations. Standard of PE lessons is higher at the end of academic year compared to the start of the academic year.
 - Increased teacher confidence in delivering a wider range of PE sessions. A higher number of teachers will be confident in planning and delivering PE lessons.
 - The majority of children within school will be fit and healthy with a good understanding of health and well-being.
 - Children across all key stages will take part in and enjoy PE. They will be enthusiastic about learning new sports and gaining new skills.

- A greater number of children will take part in competitions, both in-house and competing against other schools, compared with 2015/16.
- After School Sports Clubs will continue to grow in popularity and be an integral part of school life. More children to be accessing After School Sports Clubs than during 2015/16.
- A higher percentage of lunchtime supervisors will be able to effectively setup and supervise sports sessions during lunchtime.
- A greater number of children will regularly use lunchtimes to enjoy sporting activities compared with previous year.
- Audit of PE at end of school year to reveal school is well resourced and has a wider range of resources available to staff and pupils compared with previous audit.

NEXT STEPS

- To ensure that an efficient assessment system is embedded to evaluate standards across the school.
- To ensure that all teaching staff have the required skills and knowledge to teach and evaluate the New National Curriculum in physical education.
- Most work as outlined above will continue.
- Training for 1 accredited swimming instructor will take place in autumn 2017.
- The school will be increasing the amount of time that children take part in physical activity in order to, more fully, support pupil's engagement with physical education.
- All pupils will have at least 2 timetabled sessions of physical activity per week.
- The school seeks to regain accreditation of the Sainsbury's School Games Mark.
- A report will be sent to the Governors each term outlining the activities undertaken and the impact of this work.
